

# St. Clair Catholic District School Board School Renewal Investment Report 2023-2024 Projects and 2024-2025 Planned Projects Updated at June 2025

To provide a broader understanding of the ongoing work that is taking place to renew and improve school facilities, the Ministry of Education announced on October 22, 2024 (Memo 2024:B15) that school boards are now required to report publicly about renewal projects completed over the previous school year (2023-2024), currently underway, or planned using existing School Condition Improvement or School Renewal Allocation funds.
